

Are you
looking
for a pool
like this?

• Are you looking for a pool that does not require massive space yet with superiors swimming experience?

• Are you looking for a pool that does not cost heaps of money & time on installation with no disruption to the yard and home?

• Are you looking for a pool that can bring year round family fun yet with minimum running & maintain cost?

Create a lazy river in your backyard

- Breakthrough independent swimming system, no need to install pumps and pipes.
- The wider and higher outlet of the swimming machine creates a uniform and smooth flow, unlike traditional swim jets that cause discomfort due to uneven flow. It feels like you're swimming in open water.

EASY POOL SOLUTION

BASIC INFORMATION

Dimension	5915 x 2350 x 1520 mm
Product layout	Single zone
Water capacity(L)	7975
Dry weight(kg)	853
Power supply	15 Amp

SWIM SYSTEM

Swim jets	1 x Swim machine
10-speed swimming	Yes
Swim pole base & Handrail	Yes

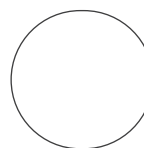

WATER CARE SYSTEM

Filtration pump	1 x 0.5HP High flow filtration pump
Sanitizer system	Ozone venturi
Filtration system	Single high-efficient blue filter x 2
Plumbing	PVC hose
INSULATION SYSTEM	Full foaming

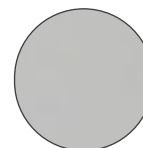

CONTROL SYSTEM

Control system	Spatech CA300-3KW
Control panel	Touch screen TP10
Wifi	Yes

PSAD600

Shell Color
Alpine White

Cabinet
PP

Easy on Swimming

- Wider - Deeper - Smoother - Faster
- Limited space with ultimate swim experience
- Patent swim machine, smooth flow, turbulent free
- Adjustable flow speed for different swimmer

Easy to Install & Repair

- Each pool is a finished product
- No need concrete structure, no need formwork
- Less time and cost on installation
- All equipment on one side, easy to access service hatch
- 3 steps installation: dig a hole, prepare ground, put the pool inside

Easy on Design

- 100% inground

- Half above ground, half inground

Easy on Space

- Each easy pool is a finished product
- No need to decimate your garden
- A space as small as 6.0m x 2.35m²
- More room for patios

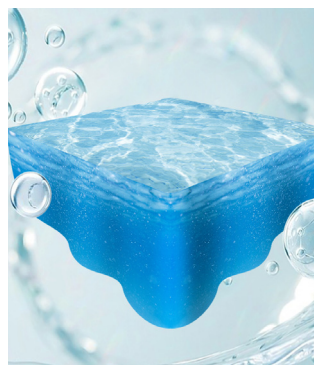

Easy on Temperature Control

- A pool for four season used
- Family fun all year around
- Intuitive touchscreen panel
- Integrated Wifi included

Easy on Cost

- Energy efficiency full foaming insulation
- Creating an inner heat shield
- Fully CEC certified and approved

Easy on Water Quality

- High quality filter system
- High efficiency ozone system

Easy Pool Vs Traditional Pool

Easy Pool

Traditional Pool

Price

- ✓ You pay for a pool that is ready to go and does not require a huge space

- ✗ You pay for a semi-finished pool that requires so much more money and time before it can be used

Installation

- ✓ To install Easy Pool is easy

- ✗ To install Traditional Pool is time and energy consuming

Swim

- ✓ No flip-turns, Swim freely

- ✗ Flip-turn interrupt your swim

Maintenance

- ✓ Excellent filtration and insulation system, less running and maintain cost

- ✗ Often require high amounts of harsh and expensive chemicals
